

Lottery Self-Exclusion Form

My Club Wins will not target you with marketing material at any time during the self-exclusion period. We will take steps to remove your name and details from any marketing databases used by ourselves.

We will close any membership of an individual who has entered a self-exclusion agreement and return any funds held in your name.

We have put into effect the following procedures to ensure that anyone who has self-excluded cannot gain access to the lottery.

- A register of those excluded with appropriate records (name, address, lottery number, and any other appropriate comments).
- Staff training to ensure that staff are able to recognise and enforce the system.
- An individual must take positive action in order to self-exclude by way of a signature.
- The self-exclusion period is a minimum of six months (giving members the option of extending this if they so wish)
- The self-excluded member must take positive action to be removed from the self-exclusion and be able to enter the lottery at a future date.
- Upon notification the player will be given a one day cooling off period before being allowed access to the lottery.
- The record of the self-exclusion will remain on file until the agreement has been formally ended.

Please exclude me from your lottery with immediate effect and do not make any direct contact during my exclusion period:
